Collezione Rag. Franco Miroglio

2017

“My grandfather Franco was a visionary entrepreneur and the creator of our family’s successes in the fields of manufacturing and fashion. It’s thanks to him that my father Edoardo had the opportunity to purchase Tenuta Carretta and begin our family’s winemaking history. Dedicating a great Barolo to him is a way to remember him every day with affection and respect. An elegant and important wine, Tenuta Carretta produces it from its own nebbiolo vineyards from Cannubi, Barolo.

The pattern on the label is from an historic fabric created by Miroglio. Every vintage of this Barolo displays a different pattern that had been a success for the company.

This is Barolo Cannubi Riserva Collezione Rag. Franco Miroglio: a refined, exclusive wine (just 1,260 bottles are produced each vintage, each one strictly numbered) that gives a crescendo of pleasant, captivating sensations that stimulate and satisfy all the senses – smell and taste, but also sight, touch, and sound.”

Franco Miroglio Jr
